At approximately 2:00 pm in the afternoon,
Mrs. Bernadette Jean Louis told me to come
to her office to talk with her. I complied!

5. We spoke for a while, then I was locked in
a room for 5 to 6 hours. There where several
detectives that entered the room and started
asking questions. I felt very tired, harrassed
and disrespected. They also forced me to take
a urine sample as well.
